ZEALICON'19

ZEALICON

THE ANNUAL TECHNO-CULTURAL FEST

Zealicon, a breathtaking four-day long techno-cultural festival, loaded with ethnic charisma and zest. A mindful festival that will keep you on the edge of your creativity and liveliness. With more than 20,000 students participating, Zealicon is a place to captivate yourself into the depths of your mind-palace and prove your mettle. From blood-rushing robowars to "tap your feet" flash mob, we've got it all covered. There's a place to test your knowledge, to know how well you know your friends, to see how well you can put your imagination in front of everyone on a canvas, to use your technical skills to do things no one can imagine. A place to set the stage ablaze with dance and soothe every soul with soulful music. There's KTM bike show for all those who seek adventure and have a gush of adrenaline in them. An Open Mic for everyone who wants to talk about literally anything. These are only few to name, a lot is still in the box. With battle of bands and star night, no one can stay put on two feet and do nothing, you gotta rock 'n' roll.

Zealicon is the time to set all your worries aside and get into the blazing fire of fun and
zeal.
